

will be taken upon receipt of Treasury Department notification that a surety's certificate of authority to do business with the Federal Government has been revoked or forfeited.

§ 1.916 Liquidation of collateral.

VA will exercise its rights to liquidate security or collateral and apply the proceeds to debts due it through use of a power of sale in the security instrument or a non-judicial foreclosure if the debtor fails to pay his or her debt, within a reasonable time after demand, unless the cost of disposing of the collateral will be disproportionate to its value or the particular circumstances require judicial foreclosure. VA must provide the debtor with reasonable notice of the sale, and an accounting of any surplus proceeds, as well as notice of any other procedures required by law or contract. Collection from other sources, including liquidation of security or collateral, is not a prerequisite to requiring payment by a surety or insurance company unless such action is expressly required by statute or contract.

§ 1.917 Collection in installments.

(a) Whenever feasible, and except as otherwise provided by law, debts owed to VA together with any interest and administrative costs assessed under § 1.919, shall be collected in full in one lump sum. Collection in one lump sum is applicable whether the debt is being collected by administrative offset or by another method, including voluntary payment. However, payments may be accepted in regular installments when the debtor is financially unable to pay the debt in one lump sum.

(b) In agreeing to accept regular installment payments to liquidate an outstanding indebtedness, VA shall obtain a legally enforceable written agreement from the debtor which specifies all of the terms of the agreement and which contains a provision accelerating the debt in the event that the debtor defaults. The size and frequency of installment payments should bear a reasonable relationship to the size of the debt and the debtor's ability

to pay. If possible, the installment payments should be sufficient in size and frequency to liquidate the debt in not more than three years. Installment payments of less than \$50 per month shall be accepted only if justified on the grounds of financial hardship or for some other reasonable cause.

(c) If VA is holding an unsecured claim for administrative collection, it shall attempt to obtain from a debtor an executed confess-judgment note in States and jurisdictions where permitted, using Department of Justice Form 1, or another appropriate Department of Justice form, whenever the total amount of the deferred installments will exceed \$750. Such notes may also be sought when an unsecured obligation of a lesser amount is involved. When attempting to obtain confess-judgment notes, VA shall provide debtors with a written explanation of the consequences of signing the note, and shall maintain sufficient documentation to demonstrate that the debtor signed the note knowingly and voluntarily. Security for deferred payments, other than a confess-judgment note, may be accepted in appropriate cases. VA may accept installment payments even if the debtor refuses to execute a confess-judgment note or to give other security.

(d) If the debtor owes more than one debt and designates how a voluntary installment payment is to be applied as among these debts, that designation must be followed by VA. If the debtor does not designate the application of the payment, VA shall apply payments to the various debts in accordance with the best interests of the Government as determined by the facts and circumstances of the particular case, paying special attention to applicable statutes of limitations.

§ 1.918 Exploration of compromise.

VA will attempt to effect compromises, preferably during the course of personal interviews, in accordance with the standards set forth in §§ 1.930 through 1.938 in all cases in which it is ascertained that the debtor is financially unable to pay the full amount or

in which the litigative risks or the costs of litigation dictate such action.

§ 1.919 Interest.

(a) Except as otherwise provided by statute, contract, or other regulation to the contrary, VA shall assess:

(1) Interest on all indebtedness to the United States arising as a result of participation in VA benefit programs which are being paid in installments,

(2) Interest and administrative costs of collection on debts where repayment has become delinquent, and

(3) Interest, penalties, and administrative costs on all nonbenefit debts in accordance with 4 CFR 102.13.

(b) Every party entering into an agreement with the Department of Veterans Affairs for repayment of indebtedness in installments shall be advised of the interest charges to be added to the debt. All debtors being provided notice of indebtedness, including those entering into repayment agreements, shall be advised that upon the debt becoming delinquent, or in the case of repayment of already delinquent debts, interest and the administrative costs of collection will be added to the principal amount of the debt.

(c) The rate of interest charged by VA shall be based on the rate paid by the United States for its borrowing as published in the Treasury's Cash Management Regulations (ITFM 6-8000). The rate of interest shall be adjusted annually on the first day of the calendar year to reflect the average rate being charged in accordance with the Treasury's Cash Management Regulations. Once the rate of interest has been determined for a particular debt, the rate shall remain unchanged throughout the duration of repayment of that debt.

(d) Interest on amounts covered by § 1.919 shall accrue from the date the initial notice of the debt is mailed to the debtor. Notification shall be considered sufficient when effected by ordinary mail, addressed to the last known address, and such notice is not returned as undeliverable by postal authorities.

(e) Interest under this section shall not be charged if the debt is paid in full within 30 days of mailing of the initial

notice described in paragraph (b) of this section. Once interest begins to accrue, and after expiration of the time period for payment of the debt in full to avoid assessment of interest and administrative costs, any amount received toward the payment of such debt shall be first applied to payment of outstanding administrative cost charges and then to accrued interest or costs, and then to principal, unless a different rule is prescribed by statute, contract, or other regulation.

(f) All or any part of the interest and administrative costs assessed under this section are subject to consideration for waiver under section 5302 of title 38 U.S.C., and appropriate administrative procedures.

(1) In general, interest and administrative costs may be waived only when the principal of the debt on which they are assessed is waived by a Committee on Waivers and Compromises. However, VA may forbear collection of interest and administrative costs, exclusive of collection of the principal of the debt on which they are assessed, as well as terminate further assessment of interest and administrative costs when the collection of such interest and costs are determined to be not in the government's best interest. Collection of interest and administrative costs shall not be considered to be in the best interest of the government when the amount of assessed interest and administrative cost is so large that there is a reasonable certainty that the original debt will never be repaid. The determination to forbear collection of interest and administrative cost, exclusive of collection of the principal of the debt, shall be made by the Chief of the Fiscal activity at the station responsible for the collection of the debt. Such a determination is not within the jurisdiction of a Committee on Waivers and Compromises.

(2) When a debtor requests a waiver of collection of the indebtedness, interest and administrative costs shall not be assessed until either

(i) A Committee on Waivers and Compromises has considered the request and rendered an initial decision, or

(ii) The applicable time limit for requesting waiver, as stated in 38 U.S.C.
